Employers recruiting their talent via UvA JobBoard

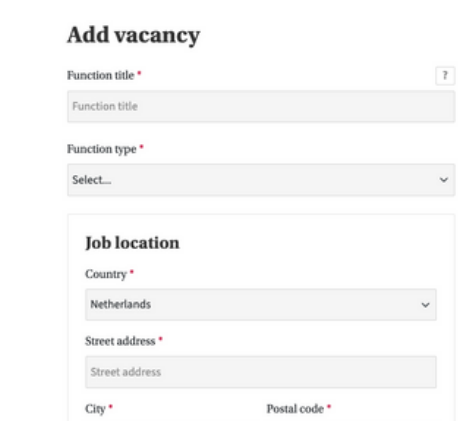

UvA JobBoard is trusted by both renowned organizations and dynamic, smaller-sized companies to recruit top talent. Companies like Philips, Uber, Brand New Day, Bosch, het Openbaar Ministerie, Universal International Music, Cultuurmarketing, PWC, Red Bull, Cinekid, Amazon, and many more rely on our platform to find the perfect candidates.

Getting started with UvA JobBoard

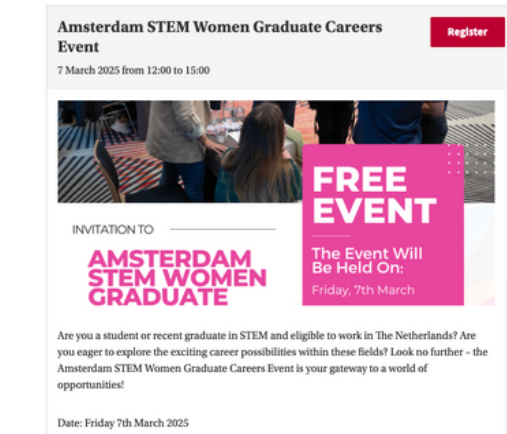

Create a strong profile

Create a comprehensive company profile to provide UvA students and recent graduates with a clear understanding of your organisation. Your previous job listings are also displayed on UvA JobBoard, offering students insight into the types of positions you have offered in the past.

Upload vacancies easily

Upload your vacancy in a few simple steps. List role details, including responsibilities, requirements, and the ideal student profile. By indicating areas of interest you'll connect with the right students and help them find relevant opportunities. UvA career professionals review vacancies for quality and academic alignment before publication. [Check the criteria for posting](#) a vacancy or internship.

Promote your career events

Easily post your events on our platform, such as in-house days, networking sessions and open days to reach a wide student audience. This puts you in direct contact with potential talent and increases your company's visibility among our students.
